Dear Ms. Boyd:

I plan to participate in the above-referenced workshop on August 7. I am an office employee of Alpine Utilities, Inc. and am particularly interested in the Commission's "Recommended standards for the utility's response to and resolution of customer complaints" (#2 on your agenda). Also, I am interested in any other subject matter that pertains to wastewater issues.

I look forward to seeing you. If you need to contact me, please do by e-mail: [alpineutilities@bellsouth.net](mailto:alpineutilities@bellsouth.net) or telephone at 799-9663.

Thank you.

Sincerely,

Patricia (Pat) A. Gillam
